

**7.2. Motion Number: 2011/550
Moonah Trees in Point Lonsdale Town Centre Playground**

In accordance with the Borough of Queenscliffe Local Law No. 1, 2010 notice was received by the Chief Executive Officer of the following motion on 13 April 2011.

Background

I refer to the Point Lonsdale Playground Moonah Tree Report dated 1 April 2011 prepared by Foreshore and Caravan Parks Coordinator.

The referred report advises Council that Moonah trees 196, 197 and 198 in the Point Lonsdale Town Centre Playground are to be removed after receipt of advice from DSE.

The proposed motion requires that Council be provided with the DSE report and a plan of the proposed playground works and replanting program for its consideration prior to the removal of the nominated trees.

I, Cr. David Mitchell hereby give notice that I intend to move the following motion at the Borough of Queenscliffe Council Meeting to be held on Wednesday 20 April 2011.

Motion:

That Council receives the DSE report and a plan of the proposed works and replanting program in the Point Lonsdale Town Centre Playground for its consideration prior to the removal of Moonah trees 196, 197 and 198.

Councillors: Mitchell/Davies

That Council receives the DSE report, the arborist report, and a plan of the proposed works and replanting program in the Point Lonsdale Town Centre Playground precinct for its consideration prior to the removal of Moonah trees 196, 197 and 198.
