CONTEXT

The Borough of Queenscliffe supports the idea of reconciliation between indigenous and non indigenous Australians.

Council believes that an important step towards reconciliation is to acknowledge and pay respect to the traditional custodians of this area, the Kulin Nation.

POLICY

1. Public Occasions

Public commemorations and celebrations may provide appropriate times for publicly acknowledging the inclusiveness of the community and for recognising the special place of Indigenous peoples and their contribution.'

(Working Out Agreements between Local Governments & Indigenous Australians, May 1998, page 31)

On official occasions and at formal events held by Council within the Borough of Queenscliffe a statement will be made acknowledging that the Kulin Nation have lived in harmony with the land and waterways of this area for many centuries.

A representative from the Kulin Nation may be invited to make this statement or provide 'A Welcome to Country' or the Mayor and/or Councillors or their representative will acknowledge indigenous Australians by reading the Borough of Queenscliffe Civic Ceremony Recognition Statement :-

Borough of Queenscliffe Civic Ceremony Recognition Statement:

'In the spirit of reconciliation we acknowledge and pay respect to the traditional custodians of this area, the Kulin Nation, who have lived in harmony with the land and waterways for many centuries and on which Indigenous Australians have performed age old ceremonies.'

Councillors may wish to write their own Recognition Statement in the spirit of reconciliation.

2. Flying The Aboriginal Flag

Council will fly the aboriginal flag at Council Offices during business hours, when the number of flag poles permit, however it will not be flown in place of the Australian Flag or Borough of Queenscliffe flag.

Council also believes it is important to acknowledge our indigenous Australians at special ceremonies. As such, Council will fly the aboriginal flag during the Australia Day celebrations and conduct 'A Welcome to Country' in conjunction with the registered aboriginal party.
